**APPRAISER**  
**- Saskatoon Regional Office -**  
**- Regina Regional Office -**  
**- Yorkton Regional Office, Temporary -**

This is a working level property appraiser. The successful candidate will possess formal training in the principles and practices required for the valuation of all properties including single family dwellings, duplexes, multi-family dwellings, apartments, commercial and industrial properties. The position requires a working knowledge of the three approaches to value together with the ability to apply the approaches to determine property values.

The successful candidate will be a self-starter; will possess the ability to work independently; and will have good organizational ability. You will enjoy meeting with the public and will be available for travel throughout your assigned district.

The ideal candidate will possess some formal training in property appraisal working towards an accreditation and/or possess a university degree in Administration, Economics, or some related discipline.

Salary on appointment will be determined based on education and experience. Some experience in computer applications is required. A valid drivers license is required.
