

Rocky View is one of Canada's fastest growing municipalities experiencing tremendous opportunities for growth. We have a dedicated team of professionals who work with a number of stakeholders to develop innovative and unique solutions for the complexities of rural and urban development. We are searching for individuals who want challenging work, thrive in a fast-paced environment, provide excellent customer service and have a great attitude that enables the Municipality to grow.

**Assessor - Taxation & Assessment
Competition #BS08 - 058**

Integral to managing the tremendous growth of our community, you will conduct, review, and defend annual assessments for all types of properties and apply knowledge of assessment and appraisal concepts, techniques, and practices to conducting mass appraisal valuations. Optimizing our team environment, you will also prepare and defend assessments at ARB and Municipal Government Board hearings and coach technicians in case preparation and presentation. You have an AMAA accreditation (or the equivalent) in the assessment and appraisal field and hold (or are currently working towards) any one or combination of the AAIC, CRA, CAE or RES designation programs. An effective communicator, negotiator, and problem solver, you have superior customer service skills and ideally membership and/or valuation training from the IAAO. A relevant diploma and directly related experience will also be considered.

The successful candidate will demonstrate strong communication skills, thrives in a fast paced environment, and is precise with attention to detail. We offer a competitive benefits package and salary to commensurate with experience. Please forward your resume quoting competition number and position, in the subject line of e-mail to:
