We are presently seeking to fill the position of a permanent full-time Assessor. A suitable candidate should hold the designation of AMAA. The applicant must have considerable experience in rural assessment in Alberta, as the individual would be expected to become Appointed Assessor for two rural municipalities and assume all related functions. The job opportunity comes with a competitive salary and possibility of future purchase of shares in Wainwright Assessment Group Ltd. This position would be well fitting for a self-motivated individual willing to take on new challenges. This position will remain open until a suitable candidate can be found.

Wainwright Assessment Group has been in operation since 1994, offering both Property Assessment and Appraisal Services in the area. We currently serve 29 municipalities and employ 7 staff members. It is anticipated that a successful candidate should be motivated by the opportunity of becoming a part owner of a successful Property Assessment and Appraisal Services company.
